

CERTIFICATE OF REGISTRATION

CSA STAR Cloud Controls Matrix

Coalfire Certification, Inc. certifies that the following organization operates an Information Security Management System (ISMS) that conforms to the requirements of Cloud Security Alliance (CSA) Security, Trust, Assurance and Risk (STAR) Cloud Controls Matrix (CCM) per the scope and boundaries statement detailed below:

COMPANY:	Netskope, Inc.	ADDRESS:	2445 Augustine Drive, 3rd Floor Santa Clara, CA 95054 United States
-----------------	----------------	-----------------	---

Scope:

The certificate scope comprises the information security management system (ISMS) supporting the operations underlying the Netskope Security Cloud offering. These activities are governed by the implemented controls in accordance with ISO/IEC 27017:2015, ISO/IEC 27018:2019, and the Cloud Controls Matrix (version 4.0). The organizational scope includes Human Resources, Global Information Security, Corporate Information Technology, Platform Engineering, Engineering and Customer Support affecting the ISMS.

Original Registration Date:

December 13, 2018

Certificate Issuance Date:

November 15, 2023

Expiration Date:

November 25, 2026

ON BEHALF OF COALFIRE CERTIFICATION, INC.

Linking Certificate:

2018-011201

David Forman, VP of Global Assurance

This certificate relates to the Information Security Management System, and not to the products or services of the certified organization. The certification reference number, the mark of the certification body and/or the accreditation mark may not be shown on products or stated in documents regarding products or services. Promotional material, advertisements or other documents showing or referring to this certificate, the trademark of the certification body, or the accreditation mark, must comply with the intention of the certificate.
